RE: Grandtec Electronic

FCC ID: PVCGTP218

I have a few comments on this Application.

- 1.) Please provide Test Setup photos as a separate exhibit.
- 2.) According to the manual, this device utilizes a USB port. Was this device also tested as a computer peripheral? The Test Setup Photos (inside Test Report) indicate it was tested with a VCR only. Please supply additional test data with EUT connected to a computing system.

A handwritten signature in black ink, appearing to read "William H. Graff".

William H. Graff
President and Examining Engineer
