RE: FCC ID: PVT-R70MP10_ATCB004679

Attention: Kathy Grzovic

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that the report "2007115 IKUSI R70MP10 FCC&IC Report Only R0.00.pdf" is unreadable and cannot be opened. Please note that the review cannot proceed until a readable report has been provided. Please provide a report that can be opened.
2. Please note that the FCC ID label exhibit does not show the same device as the external photos, setup photos and internal photos. Please provide a label exhibit for the specific device seeking certification. Also, please note that the device appears sufficiently large to contain the two condition statement required by 15.19(a). Please insure that this statement is on the label.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
