Re: Request for confidentiality per Section 0.459 of FCC Rules

Applicant: SierraCom

FCC ID: PWL3260

To whom it may concern:

Request is hereby submitted by SierraCom, a Division of Sierra Networks, Inc., to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifiers. In particular, the following sections of the application and report are requested to be kept confidential:

- Schematics
- Parts Lists
- Assembly Drawings
- Detailed Block Diagram

Rationale for request for confidentiality:

SierraCom has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them competitive advantage in developing similar products, but would also disclose new technologies developed in the area of millimeter wave high capacity data transceivers.

The \$135 fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink that reads "Richard J. Hughes".
