Introduction

The SimCycle Gamebox contents include the Gamebox, game pad, 15-pin gameport connector, warranty information, and registration card. If any of these items are missing, please contact Eloton® Customer Service at (toll free) 1-866-356-8661. Please take the time to fill out your warranty and registration card to receive updates, information on new products, and special offers from Eloton.

Warranty

The high quality of our products is the number one priority at Eloton. For this reason, all Eloton products have a one-year manufacturer's warranty against defects in materials or workmanship.

Connecting your SimCycle Gamebox

1. Shut down your computer and attach the 15-pin gameport connector to your sound or game card, and the Eloton Gamebox.
2. Connect the SimCycle and your game pad or joystick to your Gamebox.
3. Turn your computer back on.
4. Follow the Driver Installation and Calibration instructions.

Note: If you wish to use your USB port, you can purchase a **Game Port USB Adapter** from RadioShack® or your favorite electronics store.

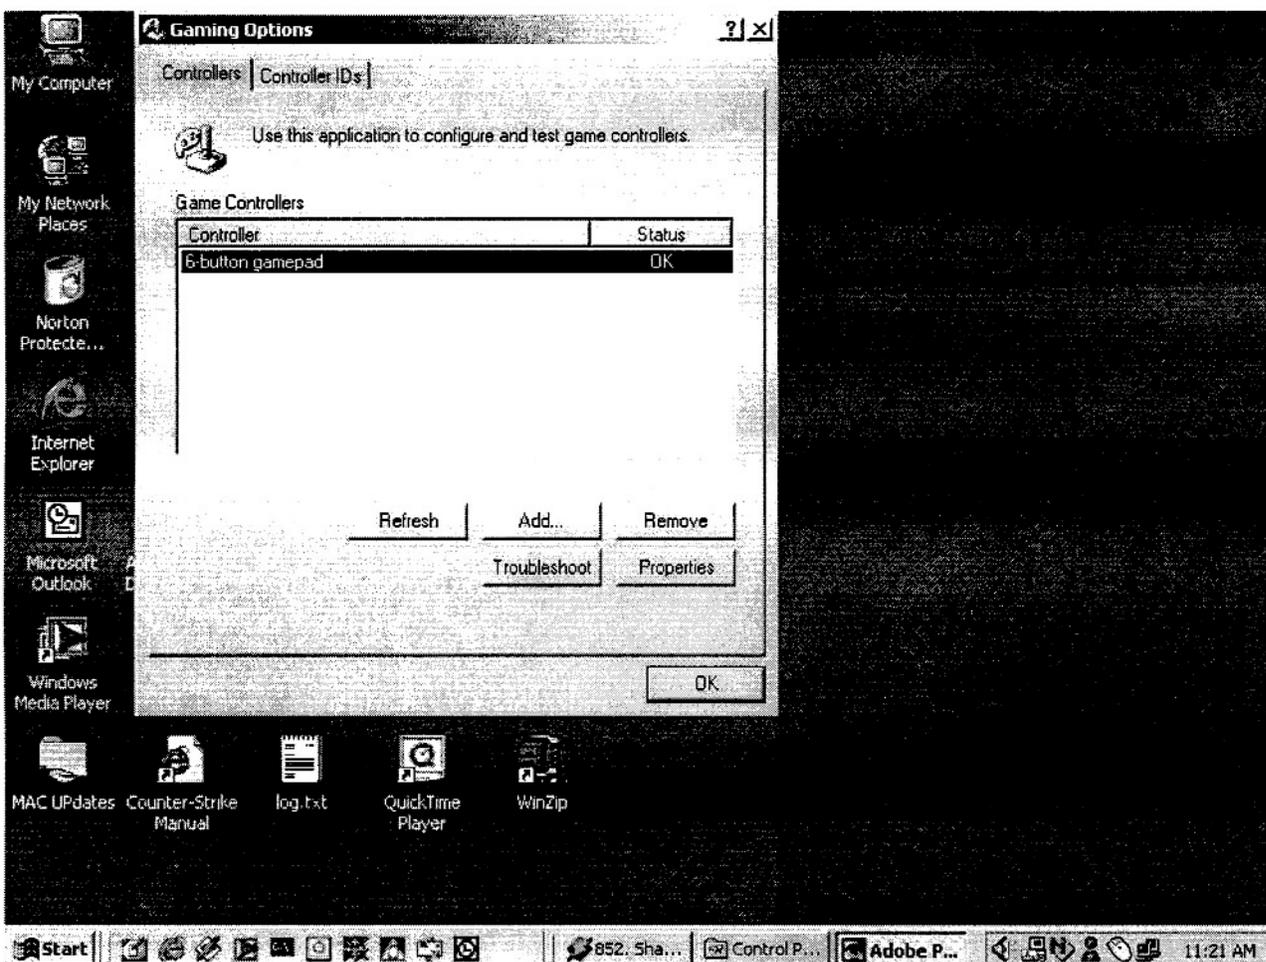

Driver Installation and Calibration

After all of the components are connected to your PC follow these steps:

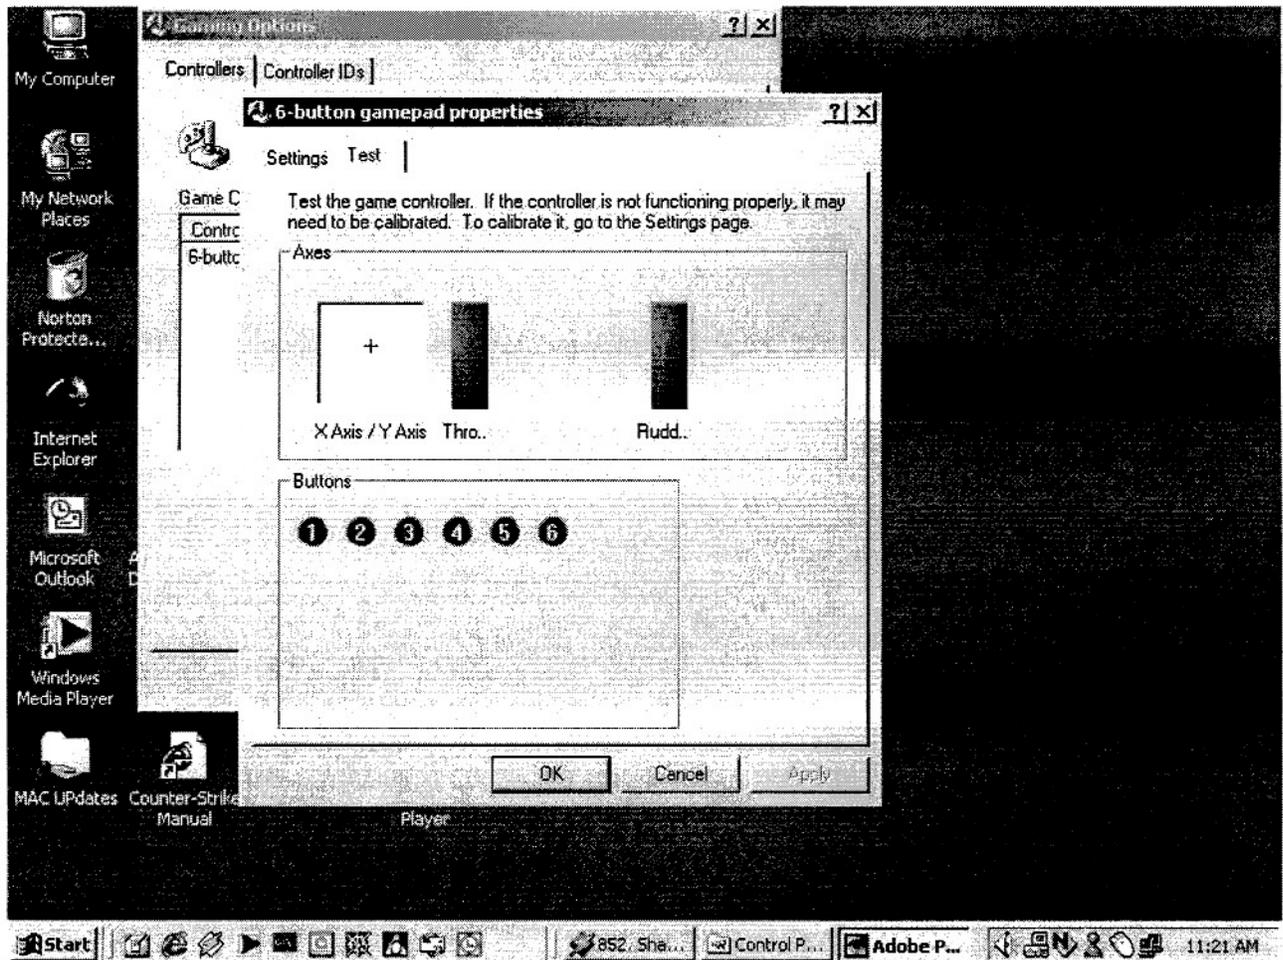

1. Click on START, SETTINGS, CONTROL PANEL, then double-click on GAMING OPTIONS (it usually has a joystick for an icon.)

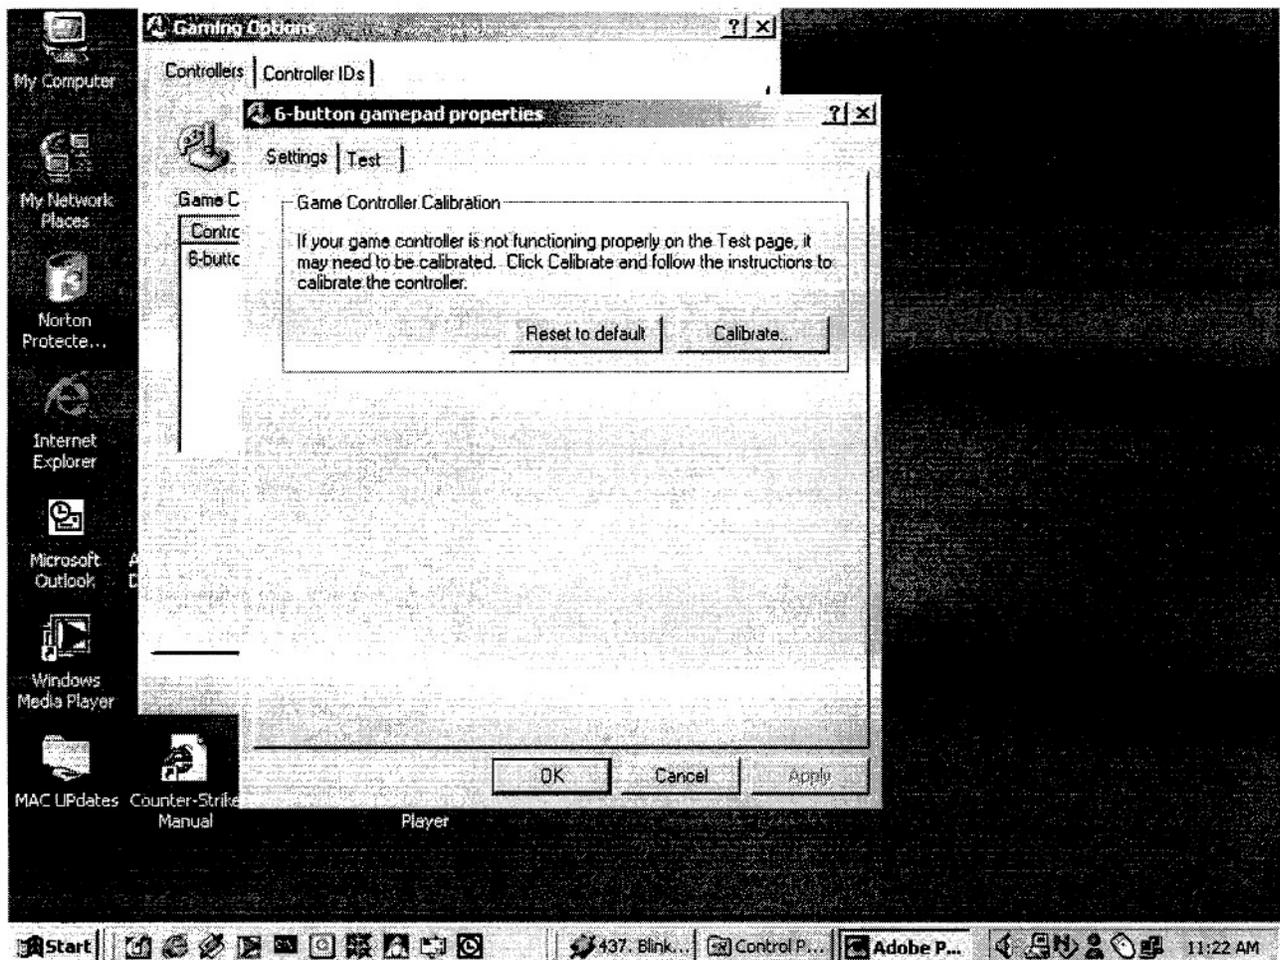

2. This will bring up the GAMING OPTIONS window. Either "4-button game pad" or "6-button game pad" should appear as an option in the Game Controllers selection box. If there is nothing there, click ADD and select 4 or 6 button game pad. From the controllers tab click on PROPERTIES.

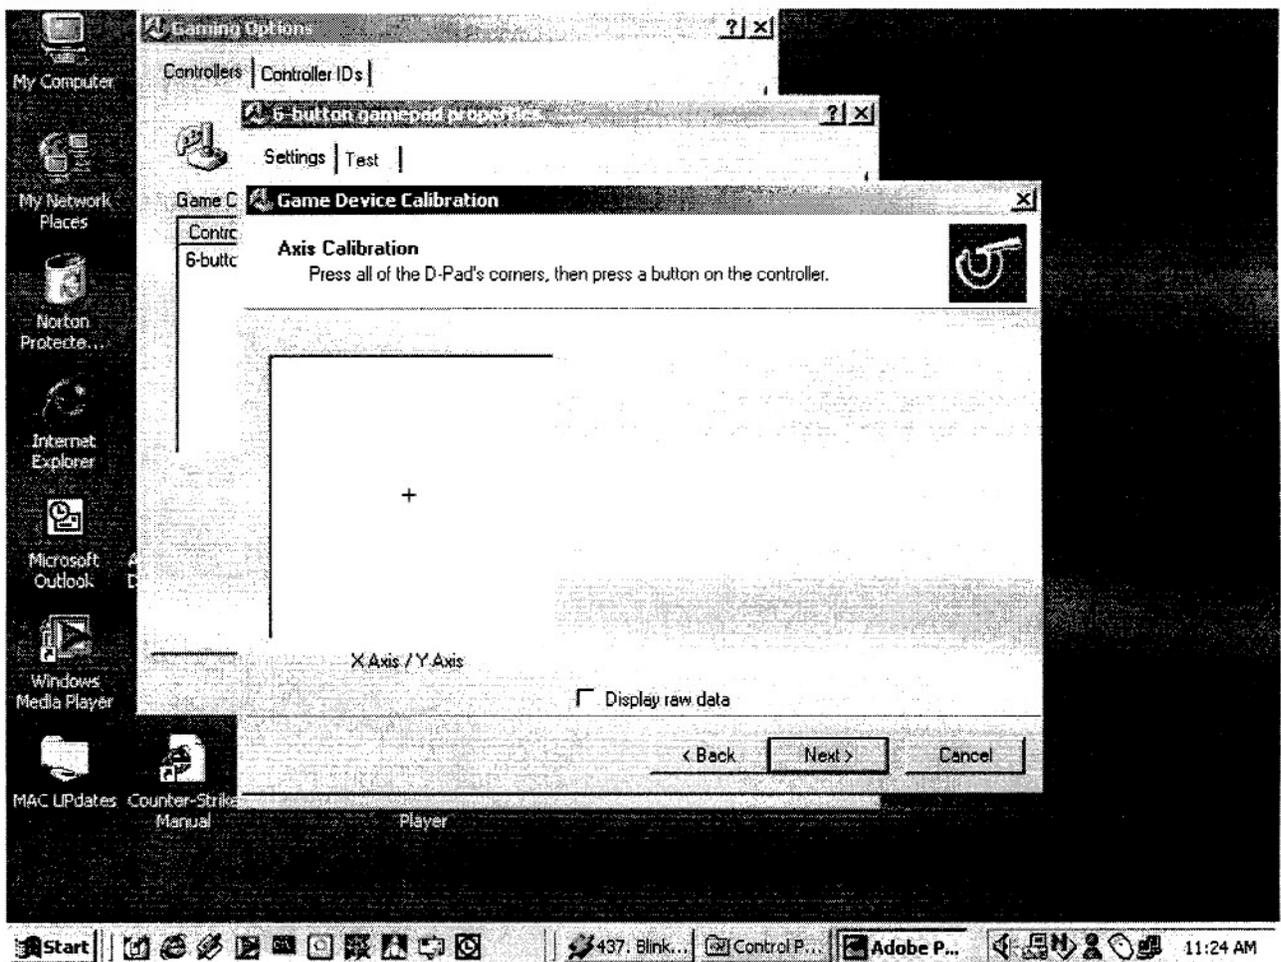

3. From the GAME CONTROLLER PROPERTIES window, click on the SETTINGS tab.

4. Click on CALIBRATE. This will take you to the calibration wizard. Once you reach the wizard it is very important that you follow all of the instructions.

5. a. Press any button on the game pad without moving the game pad D-Pad (directional pad) or pedaling the SimCycle. Click 'Next'.
- b. Move the D-Pad in all directions.
- c. Pedal forward using the SimCycle and move the D-Pad left then right while pedaling. **Do not press back while pedaling.**
- d. Press 'Next'. Hit any button on the game pad. Click 'Finish'.

Game Recommendations

We recommend the following PC games for use with the SimCycle Gamebox:

Racing/Driving:
NASCAR
1nsane
Infestation
Colin McRae Rally 2.0
4x4 Evolution
Midtown Madness
Need for Speed III

Action:
Half-life
Quake III

Simulation:
Microsoft Flight Simulator
Descent 3
Star Wars Pod Racer

For more games visit:

Game Configuration

1. Make sure the SimCycle and the game pad are configured in Windows (see "Driver Installation and Calibration").
2. Start the game you wish to play.
3. Go to "options\setup" and find the "controller" setup.
4. Select the controller that you want to use. i.e. "4-button game pad\joystick."
5. Make sure that "throttle\accelerate" is "y-axis\up". If it is not, change it by selecting "throttle\accelerate" and pedal forward using the SimCycle.
6. Check the rest of the settings to match your preferences.

Note: If the game does not work, or one of these options is not in the game, contact Customer Service at info@eloton.com. You can also visit www.microsportz.com for a current listing of games which work with the SimCycle, their ratings, and suggested Gamebox configurations.

Customer Service

Please email Customer Service any time at info@eloton.com or visit our Website for the latest information and software updates at <http://www.eloton.com>.

You can contact our Customer Service at:
1-866-ELOTON1 (1-866-356-8661)
Monday - Friday 9AM - 5PM PST

Within 30 days of receiving your order you may return:

- Any product in its original condition
- Any unopened Eloton product
- Any Eloton product still under warranty

for a full refund of the product purchase value, less shipping charges and return shipping charges. Please email info@eloton.com or call Customer Service for instructions about how to properly return products.

LIMITATION OF LIABILITY: THE HARDWARE WARRANTY SET FORTH IN THIS AGREEMENT REPLACES ALL OTHER WARRANTIES. ELOTON, INC. EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF THIRD-PARTY RIGHTS WITH RESPECT TO THE HARDWARE. NO ELOTON, INC. DEALER, AGENT, OR EMPLOYEE IS AUTHORIZED TO MAKE ANY MODIFICATION, EXTENSION, OR ADDITION TO THIS WARRANTY. IN NO EVENT WILL ELOTON, INC., ITS SUPPLIERS OR LICENSORS BE LIABLE FOR ANY COSTS OF PROCUREMENT OF SUBSTITUTE PRODUCTS OR SERVICES, LOST PROFITS, LOSS OF INFORMATION OR DATA, OR ANY OTHER SPECIAL, INDIRECT, CONSEQUENTIAL, OR INCIDENTAL DAMAGES ARISING IN ANY WAY OUT OF THE SALE OF, USE OF, OR INABILITY TO USE ANY ELOTON, INC. PRODUCT OR SERVICE, EVEN IF ELOTON, INC., ITS SUPPLIERS OR LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO CASE SHALL ELOTON, INC., ITS SUPPLIERS AND LICENSORS' LIABILITY EXCEED THE ACTUAL MONEY PAID FOR THE PRODUCTS AT ISSUE. Because some jurisdictions do not allow the limitation of implied warranties or liability for incidental, consequential, special, or indirect damages, the above limitation may not always apply. The above limitations will not apply in case of personal injury where and to the extent that applicable law requires such liability.

U.S. Government Restricted Rights: The Hardware is provided to the U.S. Government only with restricted rights and limited rights. Use, duplication, or disclosure by the U.S. Government is subject to restrictions set forth in 48 C.F.R.2.101 (October 1995), consisting of "Commercial Computer Software" and "Commercial Computer Software Documentation" as such terms are used in 48 C.F.R. 12.212 (September 1995), AND IN far sections 52-227-14 and 52-227-19 or DFARS Section 52.227.7013 (C) (1) (ii), or their successors, as applicable. Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7204-4 (June 1995), or any successor regulations, this Software is provided to U.S. Government users pursuant to the terms and conditions herein. Contractor/Manufacturer is Eloton, Inc., Inc., 1625 Hwy 88, Minden, NV 89423

FCC Compliance and Advisory Statement: This hardware device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed or used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: 1) reorient or relocate the receiving antenna; 2) increase the separation between the equipment and the receiver; 3) connect the equipment to an outlet on a circuit different from that to which the receiver is connected; 4) consult the dealer or an experienced radio/TV technician for help. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Where shielded interface cables have been provided with the product or specified additional components or accessories elsewhere defined to be used with the installation of the product, they must be used in order to ensure compliance with FCC regulations.
