To: Whom It May Concern

Alternative Warning Label Placement

This letter is to request alternative warning label placement for the signal booster model number 470082. The signal booster is too small to fit the warning label as can be seen from the Label Placement and External Photos Exhibits. Instead, the warning can be found on page 13 of the User Manual.

Sincerely,

A handwritten signature in black ink, appearing to read 'I Patel', written in a cursive style.

Ilesh Patel
Senior Engineering Product Manager
