Dear Denise and Steve:

Your answer to my question #1 is not acceptable. Please provide test data.

M.Kuo

Hi Mike,

Q1: No (as Steve told you)  
Q2: Steve will get back to you later today.  
Q3: Please see attachment.

Thanks!

regards,

Denise

Notice\_content

-----  
Question #1: This device is equipped with low pass filter as indicated in the theory of operation. Please provide test data in compliance with 95.637(b) requirements.

Question #2: Please provide and justify emission designator by using Carson rules.

Question #3: There is RF exposure information included in the user manual. Please provide revised user manual.

Best Regards

Mike Kuo / TCB Certifier

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
