

Description of Permissive Change

The differences compared with the original design are:

- (1) Minor change of the color of Enclosure; change the color from white to brown for HS-100W.
- (2) Change of the shape of the ear hook; change from circle to semi circle for HS-100W.
- (3) Change of the design of the hinge to fit the semi circle design of ear hook for HS-100W.
