

Date: 14 March 2019

To whom it may concern

**Subject : FCC Change of ID letter**

We, Xplore Technologies, having a business address at 8601 Ranch Rd. 2222, Building 2 Austin, Texas 78730, would like to apply with the FCC for a change in ID for the model mentioned below. A separate letter from Sierra Wireless has been provided to demonstrate their approval.

Description: LTE/UMTS based modem Module

New Model: EM7511

New FCC ID: Q2GEM75U

Previous Model: EM7511

Previous IC ID: N7NEM75S

We, Xplore Technologies Corp declares that the new product version is identical to the certified product and the documents on file with the FCC from the original certification remain unchanged and continue to be valid.

Should you have any other questions regarding this matter, please do not hesitate to contact me directly

Sincerely,

David J Ball
