

July 2, 2013

Federal Communications Commission
Authorization and Evaluation Division

SUBJECT: Attestation for FCC ID: Q2GWG7550

This letter is for the Xplore Technologies Tablet PC model iX101T1 which utilizes the model WG7550 wireless module (FCCID: Q2GWG7550). The Block Diagram and Schematic Diagram presented with this application references a NFC radio. The NFC radio will not be supported in the model iX101T1, FCCID: Q2GWG7550.

Sincerely,

A handwritten signature in black ink, appearing to read 'David J Ball', is written over a horizontal line.
