Federal Communications Commission
Authorization and Evaluation Division

SUBJECT: Attestation for FCC ID: Q2GWG7550

This letter is for the Xplore Technologies Tablet PC model iX101T1 which utilizes the model WG7550 wireless module (FCCID: Q2GWG7550). The Block Diagram and Schematic Diagram presented with this application references a 3.5G/4G radio. This reference is for a separate configuration and this 3.5G/4G radio is not used with the FCC ID: Q2GWG7550 configuration.

Sincerely,

A handwritten signature in black ink that reads 'David J Ball'.
