

# User Manual

To operate:

1. Use any good Fm radio turn the radio ON and face the radio towards you. Adjust the radio volume to a LOW LEVEL.
2. Place the microphone near to the radio and press the ON button. Hold the microphone 2 inches from your mouth and speak in a normal voice while turning your FM radio back and forth across the 100 mark on the tuning dial.
3. After the FM radio is tuned to the microphone, move 5 feet away from the radio. Face with the antenna towards the radio and speak into the microphone while someone carefully tunes the radio to the best reception. When using the microphone at a distance of 10 feet or more from the radio, it may be necessary to increase the radio volume and carefully tune the radio again for best reception.
4. For best result, stand 5 to 10 feet away from the radio with the antenna pointed towards the radio.
5. In case you still cannot hear the feedback sound, use a small screwdriver to turn the “fine tune switch” in either direction {DIAGRAM 1} while keeping the FM microphone close to radio.

## IMPORTANT NOTES:

1. The microphone is for use with FM radio only and will not work on the AM band.
2. The tuning range of your FM radio is 100 on the Fm dial.
3. When using your microphone, keep the antenna facing toward the receiver facing the microphone.
4. When using the microphone, hold the microphone 2 inches from your mouth and speak in a normal voice.
5. The reception of the microphone may be affected by the environment i.e. metal structure or the movement of people between the microphone and the radio. The reception is also affected by the condition of the microphone and/or radio batteries.
6. If the microphone is not to be used for an extended period, remove the batteries from the set.  
For best result, the manufacturer recommends the use of alkaline batteries.
7. To prevent damage, do not expose the set to rain or moisture.
8. **Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.**
