TO PLAY

Your RADICAL ROLLIN' RACHEL doll comes with a radio-control unit shaped like a backpack. When using the r/c unit, make sure that you hold it with the antenna pointing **away** from you.

You can control the doll's movements by pushing the 2 rocker switches on the r/c unit. The button on the left-hand side moves her left foot; the button on the right controls her right foot.

Press the **TOP** of the rocker switch to make the doll's foot move forward.

Press the **BOTTOM** of the switch to move the foot backward.
