The image shows the back of a grey, rectangular electronic device with rounded corners. It is placed on a blue surface. A yellow folding ruler is positioned vertically on the left side, showing measurements from 1 to 11 inches. A stainless steel ruler is positioned horizontally at the bottom, showing measurements from 3 to 10 inches. The device has four black circular feet at the corners, four screws (two on the left, two on the right), and two small rectangular cutouts at the top and bottom. A white rectangular box is overlaid on the right side of the device, containing the text "FCC and IC Label location".
