RE: ZTE Corporation
FCC ID: Q78-AD3812
FCC Part 22&24 Certification
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. IONIT Global Inc. requests that the following documents regarding this submission for FCC ID: AD3812 be kept confidential:

Exhibit Type	File Name
Block Diagram	Q78-AD3812_Block Diagram.pdf
Schematics	Q78-AD3812_Schematics.pdf
Operational Description	Q78-AD3812_Operational Description.pdf
Part list	Q78-AD3812_BOM.xls

Those documents contain detailed system and equipment description and related information about the product which ZTE Corporation considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis from which future technological products will evolve, ZTE Corporation considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours Sincerely,

Royce Wang
ZTE product approval manager
