RE: ZTE Corporation  
FCC ID: Q78-ME3000V2  
FCC Part 22&24 Certification  
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. IONIT Global Inc. requests that the following documents regarding this submission for FCC ID: Q78-ME3000V2 be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	ME3000V2_Block Diagram.pdf
Schematics	ME3000V2_Schematics.pdf
Operational Description	ME3000V2_Operational Description.pdf
Part list	ME3000V2_BOM.xls

Those documents contain detailed system and equipment description and related information about the product which ZTE Corporation considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis from which future technological products will evolve, ZTE Corporation considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours Sincerely,

Royce Wang  
ZTE product approval manager
