To whom it may concern,

Request for Permanent Confidentiality
Under FCC Part 24 Certification

FCC ID: Q78-RSUC1930

Request is hereby submitted by ZTE Corporation to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR § 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential and ZTE Corporation reserves the right to discern which parties can obtain access to these information:

- Schematics
- Detailed Operational/Functional Description
- Part lists
- Turn-up procedure

The rationale for request for confidentiality is as followings:

This information represents intellectual property of ZTE Corporation and it is subject to competition. We have invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

If you have questions or need further information, please contact the undersigned.

Royce WANG
Certification Director
