

## DECLARATION

Date: 2010/02/22

To Whom It May Concern

This is to declare that the following WiMAX product, designed and manufactured by ZTE CORPORATION is compliant with the following:

FCC ID : **Q78-ZTEAD226**

Model Name : **AD226**

Product Name : **EVDO WiMAX Dual Mode USB Modem**

WiMAX Chipset Provider : **Beceem Communications, Inc.**

The Beceem software release **5.2.6.4P2** for this product has a configuration parameter (BamcEnable) set to 0. With this parameter setting, the **AD226** instructs the Base Station not to use Band AMC.

A handwritten signature in cursive script that reads "Richard Compton".

Richard Compton

Vice President, Systems Applications Engineering of Beceem Communications, Inc.
