This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.

WARNING: This is not a consumer device. It is intended for use only by qualified personnel. The device is not to be used in the presence of flammable or explosive materials. The device is not to be used in the presence of high voltage or high current. The device is not to be used in the presence of high magnetic fields. The device is not to be used in the presence of high temperatures. The device is not to be used in the presence of high humidity. The device is not to be used in the presence of high pressure. The device is not to be used in the presence of high vibration. The device is not to be used in the presence of high radiation. The device is not to be used in the presence of high noise. The device is not to be used in the presence of high electromagnetic interference. The device is not to be used in the presence of high static electricity. The device is not to be used in the presence of high magnetic fields. The device is not to be used in the presence of high temperatures. The device is not to be used in the presence of high humidity. The device is not to be used in the presence of high pressure. The device is not to be used in the presence of high vibration. The device is not to be used in the presence of high radiation. The device is not to be used in the presence of high noise. The device is not to be used in the presence of high electromagnetic interference. The device is not to be used in the presence of high static electricity.

WARNING: THE WARRANTY IS VOID IF THE ANTENNA AND THE HEADSET ARE NOT CONFIGURED AT LEAST 12MM HIGHER THAN THE ANTENNA EQUAL OR LESS THAN THE ANTENNA MADE TO THE BDA

WARNING:
NO SERVICEABLE PARTS INSIDE
WARRANTY VOID
IF COVER REMOVED

WARNING:
DO NOT PLUG INTO AC UNTIL
RF PORTS ARE TERMINATED
PROUDLY MADE IN THE U.S.A

G-Wave, Inc.
MODEL: BDA-CELLAR/PCSF-33/33-80-AH
PCG ID: QMKECELLPC3380N IC: 4801A-CELLPC3380N
SER. No: 18011001
