

## Letter of Authorization

Company: Aruba Networks, Inc.

Address: 1322 Crossman Ave., Sunnyvale, CA 94089

Products: AP124, AP125

Type Designation: FCC CFR 47 Part2.944 Software Defined Radio

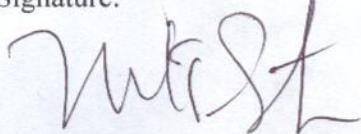

We Authorize MiCOM Labs, 440 Boulder Court, Suite 200, Pleasanton, CA 94566, USA, to act on our behalf in connection with testing and certifying the above named equipment.

This shall include the following:

- Testing
- Approval applications and procedures
- Payment of approval fees

We declare that MiCOM Labs, 440 Boulder Court, Suite 200, Pleasanton, CA 94566, USA, is allowed to forward all information in support of obtaining FCC approvals for the above named equipment to the FCC and to discuss any issues concerning the approval application with the FCC. Acts described above carried out by MiCOM Labs on our behalf shall have the same effect as acts of our own.
