Request for Confidentiality

Company name: <>Aruba Networks>>
FCC ID: <Q9DAP134135>
FCC Part 15 Certification

Gentlemen,

Pursuant to 47 CFR 0.457(d)(1)(ii) and 0.459 <Aruba Networks> hereby requests permanent confidentiality of the following documents for the subject application:

Exhibit Type	File Name	Description
Theory of Operation	ARUB88 FCC Class III Permissive Change Operational Description Confidential AP-134-135 OpDescription	Operational Description
SDR Security document	Aruba_Secure_Mobility_System_SDR_2011-04-11	SDR Security document

Note: Exhibit types that are commonly held confidential are: (1) Schematics, (2) Block Diagrams, (3) Operational Descriptions, (4) Parts List / Tune UP Info. Any exhibit NOT granted confidentiality is viewable on the FCC website as soon as a grant is issued.

Reason why the material should be withheld from public inspection:

These documents contain detailed system, equipment description and related information about the product which <Aruba Networks> considers to be proprietary, confidential, and a custom design otherwise not released to the general public.

State why the information is a “trade secret;”

Since the design is a basis from which future technological products will evolve, <Aruba Networks> considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Trade secret" information is information which is not generally known or reasonably ascertainable, by which a business can obtain an economic advantage over competitors. The information is not normally released to any party or person outside the company.

State whether the information is publicly available anywhere else:

The documents above contain detailed system and equipment description and related information could not be released to the general public.

Sincerely,

Signature:
