Re: Request for Confidentiality

Company name: Aruba Networks, Inc.
FCC ID: Q9DAP175

Gentlemen,

In accordance with 0.459 of CFR 47, Aruba Networks, Inc. hereby requests confidentiality of following documents for the subject application:

- Schematics

- Bill of Materials

These documents contain detailed system and equipment description and related information about the product which Aruba Networks considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Aruba Networks considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
