Dear Sir,

We Radianse, Inc. respectfully request that the schematic diagrams, bill of materials, block diagram and circuit description submitted with the applications for Certification under FCC ID: Q9V-100-A and FCC ID: Q9V-400-A be withheld from public disclosure. This request is made under the provisions of Section 0.457 (d) of the Commission's rules and Section 0.552 (b) (4) of the Freedom of Information Act.

Disclosure of this design information would place Radianse, Inc. at a competitive disadvantage. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, which appears to read "Paul Tessier". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
