Theory of Operation

Security Statement (KDB 594280 D02 U-NII Security v01 r03)

Antenna Specification

Above mentioned documents contain detailed system and equipment descriptions that are considered proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request on the following attachments until August 31, 2018.
