RE: SendFar Technolgy Co. Ltd.

FCC ID: QA5-MPI-04001

After a review of the submitted information, I have a few comments on the above referenced Application.

**Administrative Issues:**

- 1) FYI....(For Your Information – No Response Necessary). The modular approval letter does reference the correct FCC ID, and internal components list. However, the manufacture name in the letter appears incorrect.

A handwritten signature in black ink, appearing to read "Timothy R. Johnson".
