RE: Request for Confidentiality

Company name: SMART Technologies Inc.

FCC ID: QCI-SKIWB8D8U5

To Whom It May Concern:

Pursuant to the provisions of the Commission's rules in 47 CFR §0.457 and §0.459, we are requesting the Commission to withhold the following attachment(s) as confidential documents from public disclosure indefinitely:

- Schematic Diagram
- Block Diagram
- Operational Description

These documents contain detailed system and equipment descriptions and are considered as proprietary information in operation of the equipment. The public disclosure of these documents might be harmful to our company and would give competitors an unfair advantage in the market.

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be granted as confidential documents and this information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

Sean MacKellar
