Subject: Certification Application  
FCC ID: QCX-Q2400-100

Dear Sirs,

It is requested that the following information is to be held permanently confidential on behalf of Lo-Q plc:

FCC Rules Part 0.459 refers.

|                                     |   |         |
|-------------------------------------|---|---------|
| Q-cnx Circuit Diagrams (schematics) | 1 | 8 pages |
| Q-cnx Bill of Materials             | 1 | 7 pages |
| Q-cnx Operational Description       | 1 | 2 pages |
| Q-cnx Block Diagrams                | 1 | 6 pages |

The Lo-Q system is protected by international patents and Lo-Q would seek to maintain any and all proprietary information as confidential.

Should this detailed information come into the public domain it could severely undermine this protection from copycat companies and have serious commercial and financial implications for Lo-Q.

Currently all sales of the system are protected by a Non-Disclosure agreement ensuring that this information does not leak into the public domain.

**Lo-Q plc**

The Smith Centre,  
Fairmile  
Henley-on-Thames

Lo-Q supplies operational manuals to our customers purely for the configuration and operation of the system. The public who are the end users of the system are not provided with and do not need any of this information to use the system.

We would therefore request that all the documents and information listed above remain permanently confidential.

Yours sincerely

Tony Underwood
