Attn: OET Dept.

Ref: FCC Class II Permissive change for FCC ID: QDS-BRCM1022
(Original Grant date: 06/14/2006)
Applicant: Broadcom Corporation

Dear Examiner,

This is to request a Class II permissive change for FCC ID: QDS-BRCM1022, originally granted on 06/14/06.

The major changes filed under this application are:

1. Add a portable platform, Dell PP06XA.

EMC testing was performed to ensure continued compliance. SAR testing was performed with the mentioned platform to demonstrate RF compliance.

The Foxconn antenna WDAN-DWDS1-001-DF and Amphenol antenna WT0581-11 used for Dell PP06XA, is the same type as WNC, 81.ED415.002 and Hitachi HFT17-DL03, which are already certified in previous filing for FCC ID: QDS-BRCM1022, and has a lower gain.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Daniel Lawless', is written over a light gray circular background.
