Hello Thu, Claire

Review of this application is complete. Please reply to the following item. Your reply will also be applied to IC application AN08I2444.

Q1: FCC General and RF Exposure statements were not included in the user manual exhibit. Please provide a revised User Manual or statement regarding the information that will be included in the user manual. The information should be similar to information provided with other applications under this FCCID.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

Best regards,

Tim Dwyer
