Attn: OET Dept.
Ref: FCC Class II Permissive change for FCC ID: QDS-BRCM1058
(Original Grant date: 06/30/2011)
Applicant: Broadcom Corporation

Dear Examiner,

This is to request a Class II permissive change for FCC ID: QDS-BRCM1058. There is no hardware or electrical modification made to the applying modular transmitter itself.

The major changes filed under this application:

Change #1 Establishing approval for use in stand-alone portable exposure conditions per KDB 616217 D04 v01, Sec3.2 Modular Approach. The module is tested following procedures in KDB 447498 at 5mm separation distance. The highest measured SAR value is 0.727 W/kg.

Installation and operating requirements, detailing the restrictions, separation distances and antenna requirement for the modular conditions covered by the equipment authorization, are documented in the instructions provided to OEM integrators.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'DL', is written over a horizontal line.

Subject: Request for Confidentiality

FCC ID: QDS-BRCM1058

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely

Antenna specifications
Operational Description

Above mentioned document contains detailed system and equipment description which are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we are requesting the commission to grant short-term confidentiality request on the following attachments for 180 days.

OEM installation Guide

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Best Regards,

A handwritten signature in blue ink, appearing to read 'DL', is written over the 'Best Regards,' text.
