Reference: Request for Confidentiality

FCC ID: QDS-BRCM1087

To Whom It May Concern:

Pursuant to 47 CFR §§ 0.457 and 0.459, Broadcom Corporation ("Broadcom") requests that the Commission permanently hold in confidence the following attachments to Broadcom's Application for Equipment Authorization ("Application"):

**Host Antenna Specification**

**Turn-up power**

The above-referenced documents contain detailed system and equipment descriptions that are proprietary to Broadcom. The public disclosure of these documents would be harmful to Broadcom and would give competitors an unfair advantage in the market.

In addition to the documents described above, pursuant to Public Notice DA 04-1705 while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we request that the Commission hold the following attachments to Broadcom's Application in confidence for 180 days.

**Test Set-up Photos**

**Host User Guide**

**External Photos/ Internal Photos**

It is Broadcom Corporations' understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be granted as confidential documents and that information will be available for public review once the grant of equipment authorization is issued.
