RE: FCC ID: QFXRM-84\_ATCB002658  
Attention: Alison Kingston

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that as a part 15B and part 15C device the verbatim statement found in 15.19(a)(3) must be either on the device or in the manual. The current manual statement is for a receiver and is not the verbatim statement of 15.19(a)(3). Please provide a manual with the proper 2-condition statement.
2. Please provide the parts list for the device.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
