Date: 04/13/15

Gentlemen:

Itron Inc. respectfully requests Long Term Confidentiality of certain materials provided with the submission of the OpenWay 3.5S under FCC ID: QHC-OW35SE in accordance with 47 CFR 0.457(d) and 47 CFR 0.459.

The confidentiality request applies to the System Block Diagram, Theory of Operation, and Schematics contained in this filing and included in the following files:

13-0256 - Theory of Operation.pdf
13-0256 - System Block Diagram.pdf
13-0256 - Schematics.pdf

This information is not publicly available.

The OpenWay 3.5S has been developed at considerable effort and expense by Itron Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely, A handwritten signature in black ink that appears to read "Mike Mathis".

Name: Mike Mathis
