

FCC Class II Permissive Change Request Letter

09/04/2015

To FCC:

RE: FCC Class II Permissive Change Request for Company:

Airvana LP **FCC ID: QHYRP-A2014**

We are submitting an application for a class II permissive per 47 CFR, 2.1043(b)(1) change to the FCC approval of the

Company Name: **Airvana LP**

Product description: OneCell Radio Point FCC ID: **QHYRP-A2014**

Original Grant date **08/14/2015**

The transmitter circuitry has been modified replacing a lumped element filter with an integrated harmonic filter. This change is being submitted due to the expected degradation of the performance of Bands 2/25 Spurious Emissions.

Sincerely,

Kevin Craig

A handwritten signature in black ink, appearing to read "Kevin Craig", is written over a horizontal line. Below the signature is a large, stylized, handwritten circle, likely a flourish or a mark.
