CommScope Technologies OneCell® Radio Module RPM-A5A11-B66

December 20, 2021

To FCC:

FCC Class II Permissive Change Request for Company:

CommScope LLC **FCC ID:** QHYRPM-A5A11-B66

We are applying for a class II permissive change request for the addition of 5G waveforms to the filing.

Product description: OneCell Radio module RPM-A5A11-B66, FCC ID: QHYRPM-A5A11-B66.

Original Grant date 06/16/2021

The transmitter circuitry has not changed; we are only adding support for 5G to the previous filing.

Sincerely,

Zachary Johnson

A handwritten signature in black ink, appearing to read "Zachary J".
