

Permissive Change Letter

Date: May 23, 2025

This is to request a Class II permissive change for FCC ID: **QI3BEC-MX220UT5GC**, originally granted on **05/21/2025**.

The major changes filed under this application is:

Change #1: Remove Category A CBSD information and antenna(Model No.: ANT-SX-5048).

Except for the above differences, the hardware design is identical with the original grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

Name: Kevin Lien
