RE: Confidentiality Request for HomePro™ Operating Device, FCC ID QIE0685-0X

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the schematic and block diagrams required for submission with this application be withheld from public review. The reason for this request is that the documents are company proprietary information that we do not wish to make available to our competitors.

Please contact me if there is any information you may need.

Sincerely,

Chad Snead
Project Manager
