Schlage LiNK™ Model RP200 Light Module
For indoor use only in a dry location

120 Volts AC, 60 Hz

Max load for Z-Wave outlet: 300W (2.5A) Dimmer control, incandescent load only

Max load for pass-through outlet: 1500W (12.5A) Resistive load only

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference and (2) This device must accept any interference received, including interference that may cause undesirable operation.

WARNING:
Non-resistive
load such as
fluorescent

lighting or a motor may result in damage to the
Light Module and will void the warranty.

WARNING: To reduce the risk of electric shock,
this product has a grounding type plug that has
a third (grounding) pin. This plug will only fit
into a grounding type power outlet. If the plug
does not fit into the outlet, contact a qualified
electrician to install the proper outlet. Do not
change the plug in any way.
