The photo showing placement of the ID label is actually showing a label with the FCC logo, which is subject to Declaration of Conformity (DoC) rules, and not permitted to be used on FCC Certified devices. Also, the label's location was shown on the internal of the device, which is prohibited pursuant to Section 2.1033(b)(7) of the FCC Rules. Please submit a revised photo or sketch showing suitable placement on the device for the ID label, pursuant to Section 2.1033(b)(7).

Response: A new label location has been uploaded and the label with the FCC DoC logo will not be used.
