Subject: DT-15NT(FS500T) model's modifications [FCC ID : QJBDT-15NT]

Dear Sir.

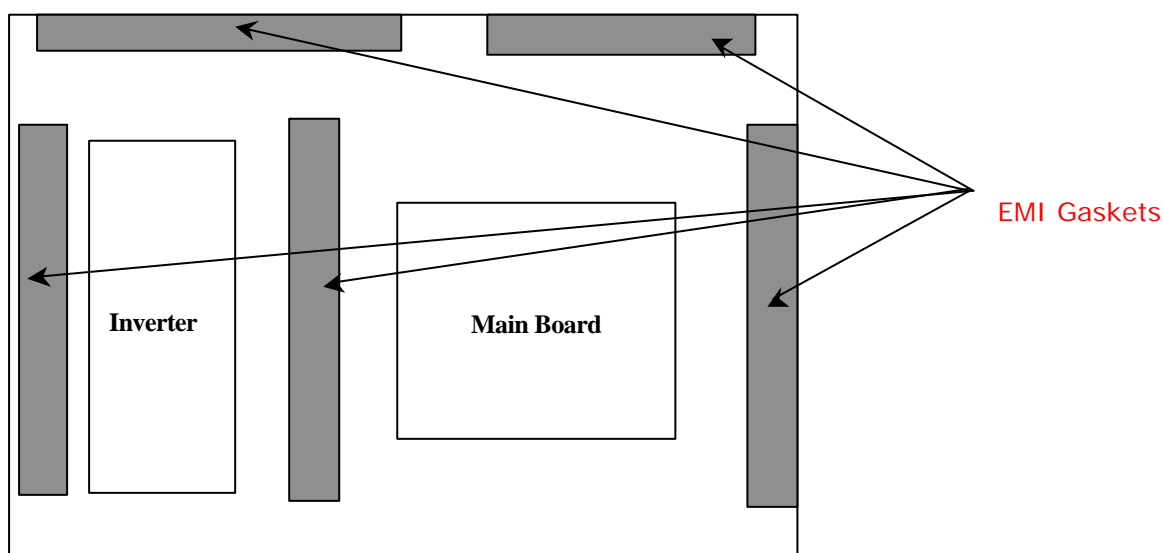

Thank you for your cooperation.

We, GMS Technology Inc. will incorporate modifications as below into each unit sold in the U.S..

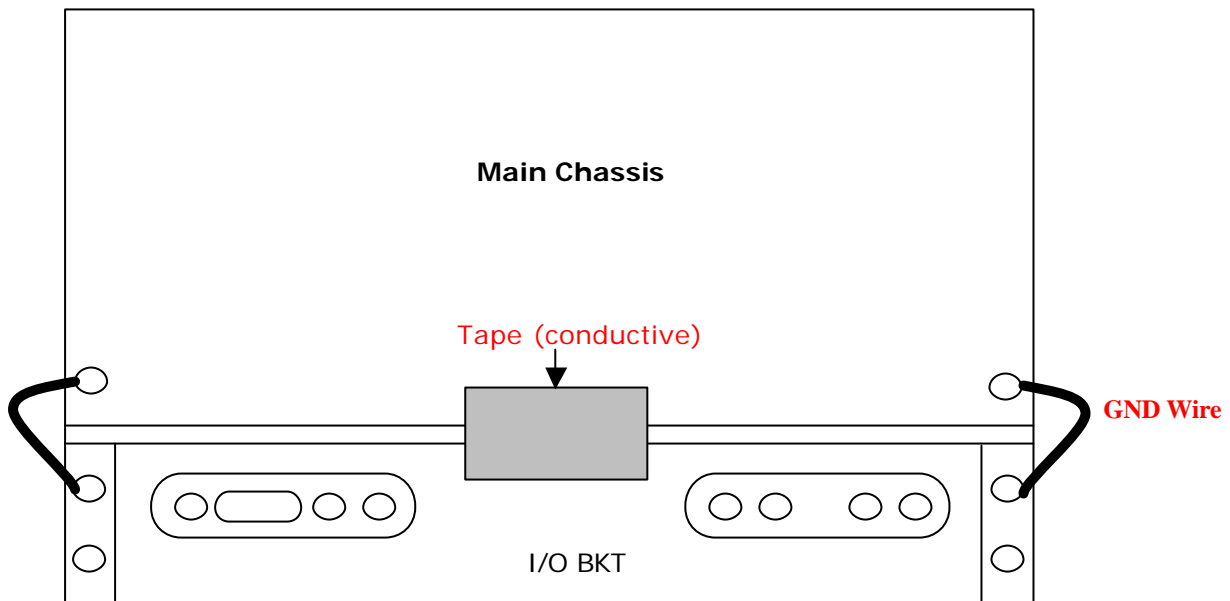

1. Gaskets will be used at the main-board as below points.

2. Gaskets will be used at the main-chassis as below points.

3. GND wire and Tape will be used between I/O BKT and Chassis as below.

Sincerely yours,

B. S. Lim

Mr. Byung sang, Lim
