**RE: CONFIDENTIALITY REQUEST FOR WMC6300 AND FCC ID:
QJEWMC63000303**

To Whom It May Concern:

This letter serves as an official request by MeshNetworks, Inc. ("Applicant") for confidentiality protection under FCC Rule Section 0.459.

In connection with our application to the FCC, we have submitted the block diagrams, schematic diagrams, operation description and electronic files listed below and request that they be withheld from public review:

WMC6300BlkDia.pdf
WMC6300Schem.dpf
WMC6300OpDes2.3.pdf

The listed documents contain trade secrets and proprietary information not customarily released to the public. Accordingly, the public disclosure of these matters would be harmful to the Applicant and provide unjustified benefits to our competitors.

Please contact me if there is any information you may need or wish to discuss this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Cliff L. Chillemi". The signature is fluid and cursive, with a long horizontal stroke at the end.
