Hi Kerwinn,

Didn't want this to go by the wayside...

Please let me know when item 2 will be addressed so I may complete the RT response to the FCC.

Thanks!

Christina

Christina,

There is no technical issue with the bottom questions. Can you please take care of this one?

Something to do with the report that was submitted.

Kerwinn

Importance: High

Hi Kerwinn,

Finally we did hear back from the FCC; in fact please see the following request for technical info from them. Please respond to this ASAP.

Thanks!

Christina

1) response to crn # 16055 has .pdf inserts in exhibit entitled "mesh fcc RT response 3" - please submit these as separate .pdf page exhibits rather than inserts in a Word file which are not viewable when parent document is converted to .pdf by e-filing system

"Response:

This antenna will always be included with the card. Please see attached User Manual excerpts. Pages from QJEWMC6300704 SA ... Pages from QJEWMC6300704 usr ..."

2) for response to crn 16016 2), please provide simple summary list rather than

attachments

3) regarding crn 16021 response, please inform test lab to avoid antennas in direct contact with wood for future filings

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal pursuant to Section 2.917(c).
