RE: QJFTRAKMUX

SU: Response to Findings Letter dated July 11, 2003

Attention: Dennis Ward

The following is in response to the above letter.

Item 1: Please note the new manual, which addresses installation

Item 2: See new manual

Item 3: See new manual

Item 4: Photos are attached

Item 5. Noted

Item 6. Attached is an amended Appendix A

Item 7: The antenna connections are to facilitate placement of antenna at several locations within the facility using a computer interface. The user can select any of the antennas to be used. Only one antenna is used at a time.

Item 8. Attached

If you should have further questions, please do not hesitate to contact me. Thank you for your help and assistance on this.

Respectfully,

Wayne Langston
