FCC ID: QKGRDX-V1

CIRCUIT DESCRIPTION

A general description of the overall circuit is covered in the instruction manual. This section provides the description of circuits required by subpart 2 Commissions' rules. Circuits not described in the manual are covered in this exhibit.

The following are included:

1 .	Means for Frequency Stabilization	8A
2.	Means for Modulation Limiting and Low Pass Filter	8B
3.	Means for Harmonic Suppression	8C
4.	Means for Power Limiting	8D
