WALKIE TALKIES

OR OUTDOOR USE

Special Agent, you will need these Walkie Talkie Headsets for your latest mission!

They are very easy to use, just follow the following steps:

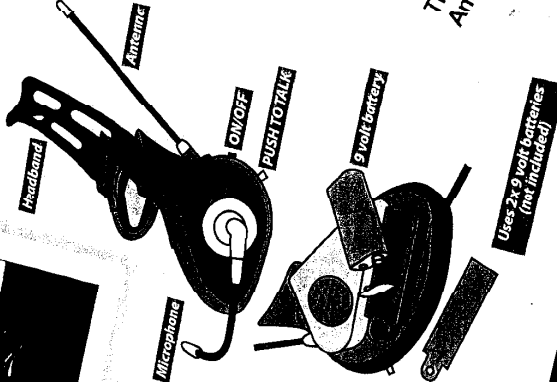

1. Unscrew the top of the battery compartment covers. Make sure the screws are firm.
2. Turn the power on by sliding the ON/OFF switch to the ON position.
3. Transmit by pressing the PUSH TO TALK button and speak into the microphone.
4. Receive by releasing the PUSH TO TALK button and listen to the speaker.
5. Turn the power off by sliding the ON/OFF switch to the OFF position.

Remember that your Walkie Talkie has been fully adjusted before shipment. Do not touch any internal components apart from the battery compartment. Switch the power off after use, and replace the batteries with the same or equivalent type when the sound becomes weak or not in use. Store in a dry place.

That's all, Special Agent. And Good Luck!
