

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, labeled 'View 2', placed on a blue textured surface. The component is rectangular and populated with various electronic components, including integrated circuits, resistors, and capacitors. A black ruler with white markings is positioned vertically to the left of the component, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component's width is approximately 40 mm and its height is approximately 60 mm.
Solder Board-Component View 3	 A photograph of the same green printed circuit board (PCB) component, labeled 'View 3', showing a different side or orientation. The component is populated with various electronic components, including integrated circuits, resistors, and capacitors. A black ruler with white markings is positioned vertically to the left of the component, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component's width is approximately 40 mm and its height is approximately 60 mm.
