Subject: SHORT-TERM Confidentiality expired for FCC ID: QMNRM-155, ATCB003383

Date of FCC grant: 07/10/06

To Whom It May Concern,

An error was made in the request for Short-Term Confidentiality for the permissive class II change recently granted on July 10, 2006. Pursuant to 47CFR section 0.457(d) (1)(ii) and 0.459 and to avoid premature release of sensitive information prior to marketing or release of the product to the public, the applicant should have requested a new short-term confidentiality letter. A new short-term confidentiality request has been provided.

Nokia acknowledges that some information was made public on October 08, 2006 due to the short-term confidentiality letter not being renewed.

If you have any questions or require additional information, please contact me.

Sincerely,

Ronald L. Chernus
Product Certification Officer, CDMA
