Columbia, MD 21046-1609

To: Office of Engineering and Technology Laboratory

Re: FCC ID: QMNRM-18
Applicant: Nokia Inc.

We hereby certify that transceiver FCC ID: QMNRM-18 fully complies with 47CFR22.921.
Nokia has received approval for its alternate 911 call completion method (DA 00-132 released
January 28, 2000) and has incorporated the required modifications.

Sincerely,

A handwritten signature in cursive script, appearing to read "Juhani Vanhala".
