Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Sir or Madam,

PS Engineering, Inc. requests that all parts lists, bills of materials, schematic diagrams, PCB layouts, and block diagrams, which has been submitted to the FCC for the purpose of issuing FCC ID: QNEM760REM, be withheld from public inspection in accordance with 47 CFR § 0.459 of the Commission Rules.

PS Engineering, Inc. asserts that this material and information contains trade secrets and commercial information as described in 47 CFR § 0.457, and is guarded from our competition.

PS Engineering, Inc does not want the above material and information to be made available to the general public.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Gary Picou'.

Gary Picou
