

BGM121/BGM123 label attestation

Because of the small physical size of BGM121/BGM123 the certification IDs are not marked to the module. The certification markings and instructions how to label the end product are shown in the user manual.

Figure 1: Label of BGM121A, BGM121N, BGM123A and BGM123N

FCC ID:
QOQBGM12LMA

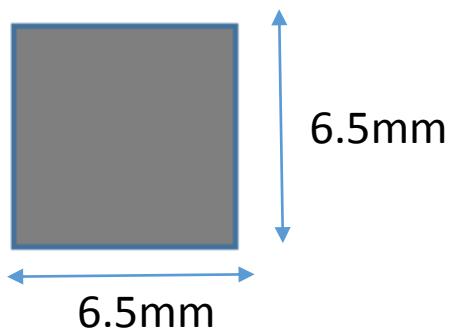

Figure 2: Picture showing that the labeling with 4pt text doesn't fit to the module
