Declaration of Similarity

FCC ID: QPU8000
IC: 4523A-SN8000
Product Family: SN8000X module

Currently there are two models/versions of this radio module, either the SN8000 which employs an on-board chip antenna and matching components or the SN8000UFL, which replaces the on-board chip antenna and matching components with a U.FL connector. All other circuitry is identical. The modules are differentiated by their Model Names as shown below.

Label	Model Name
 Model: SN8000 Lot No. YYWW FCC ID: QPU8000 IC: 4523A-SN8000	SN8000
 Model: SN8000UFL Lot No. YYWW FCC ID: QPU8000 IC: 4523A-SN8000	SN8000UFL
